PROPERTY DESCRIPTION

Some locations need no special introduction. Senjak is one of them.

Located on Andre Nikolića Street, on the second floor of a residential building with an elevator, this four-room apartment offers 112 m² of living space, complemented by two terraces (14 m²). It is designed for those who value not only a prime location but also a home where everyday life can unfold without compromise.

Its generous layout provides ample space for a variety of lifestyle needs – from family living and working from home to entertaining guests and enjoying moments of privacy.

Senjak offers a unique advantage: sufficiently removed from the hustle and bustle of the city to provide a sense of peace and tranquillity, yet still closely connected to urban life and all the amenities it has to offer.

112 m² | Four-room apartment | 2nd floor | Elevator | Central heating

A property for those who expect more from a home than just square footage.

Agency commission applies in accordance with the agency's fee schedule.
